

Unit News Letter

January 2010

Hello Rangers & Wives:

We hope everyone had a wonderful Christmas. Hopefully 2010 will be a great year.

I have a couple of web sites you might like to check out. Mike Wise sent the 1st one. Go to, Google News Alert for: Department of Veteran's Affairs. Find, Law group launches program to help veterans. It's an interesting article and hopefully helpful. Then Ron Crews sent a site. It's gpo.gov. There you can sign up to receive the latest Veteran issues.

Danny Wiggins and Mike Wise are still up dating the web site. If you haven't sent your info of when you were in country please send it to them. They will also need a picture of then and now. You can e-mail it to Mike @ wisecan@att.net or go to the web site @ www.f52i75.org When you are on the web site please check out the new contact page Mike has added. It will help keep your address current. That way we can get the news letters to you. And info about the reunions.

If any of you would be willing to receive the news letter via e-mail please let me know @ gr8cats@pld.com. It's faster & saves money on stamps & paper. If anyone has news they want to put in the letter, all you need to do is send it to us.

Same goes for the Unit Director...Bob McGath. He needs your stories about Viet Nam for the Patrolling Magazine. This last issue was great guys. Now on a personal level. As of September 2009 Greg is Cancer FREE!!! His PSA last week was 0.01 which is about as low as it can get & still be readable. And Ramona is going to have her right shoulder operated on for a torn rotary cuff. I will be in a sling for 6 weeks & do therapy for 3 months. I will be limited on the computer. Guess the "secretary" will have to take over.

Secretary, Greg & Ramona
